Holiday Safety Tips:

- Use extreme caution when using deep fryers; **NEVER** fry indoors or on decks or balconies.
- Use outdoor fires with caution, **NEVER** leave any fire unattended.
- If you have a natural or live tree make sure to *keep it watered*. Dry trees account for about 400 fires each year resulting in around 10 deaths.
- Use candles with caution, **NEVER** leave burning candles unattended.
- Use extension cords with caution; make sure they are in good working condition and unplug them when you are not around.

Following these simple safety tips will help ensure that you have a safe and enjoyable holiday season!
