

Date Received from Applicant: _____

Date of Review: _____

Letter of Credit Information

The intent of this form is to provide a uniform method for developers to submit the required infrastructure costs related to their project. This information should be submitted along with the plat(s), application, and all other associated fees. Once submitted, a professional engineer, who has been designated by the jurisdiction, will review this information for accuracy and completion. The designated jurisdictional engineer will bill the applicant. A \$100 staff review fee is due at submittal. Please indicate each map separately and submit one form per map. Any difference in utility or paving must be calculated in separate unit costs.

Contact Information. Please note the information of the person/company who will be providing this information.
