

Maintenance Guarantee Application

The intent of this form is to provide a uniform method for developers to submit the required infrastructure costs related to their project. This information should be submitted along with final plat applications. Once submitted, the Town Engineer (or designee) will review this information for accuracy and completion. A \$100 processing fee is due at the time of final plat submittal to the Town of Harrisburg.

Please indicate each map separately and submit one form and one review fee per map. If a project is proceeding in phases, the information submitted on this form should correspond directly to the *map* being submitted for final plat consideration (i.e. Phase 2 Map 1, Phase 2 Map 2, etc).
