■ Garbage and Recycling □ Garbage Only ○ Holiday (One-day delay)

There will be no garbage and recycling service on the noted holidays. Pick up will be delayed by one day for the remainder of the holiday weeks. All subsequent collections days will be affected, and a Saturday collection will be required. The regular schedule will be reinstated on the following Monday.

Yard Waste Pick Up and Weekly Routes Schedule

The Town of Harrisburg offers a weekly collection of leaves, grass and yard waste. The same streets can only be collected once per week. At peak times, such as during autumn leaf collection, pick-up schedules may vary due to increased workload.

- Yard waste consists of shrubs or tree limbs, flowers and plants only.
- Leaves and grass must be loose (not bagged) and placed behind the curb (not in the road, but within 4 to 6 feet of the curb).
- Yard waste must be at least 8 feet from any sign, water meter, landscaping, mailbox or other stationary object, and away from any low overhead lines.
- Leaves and grass cannot be mixed with: (1) Brush (2) Dirt (3) Paper (4) Rocks (5) Sticks (6) Other debris
- If other items are mixed with leaves and grass, the entire load will not be picked up.
- Yard waste consisting of brush must have limbs, not to exceed 6 feet in length, stacked loosely with cut ends parallel to the street.
- If yard waste equals less than a truckload, there is no charge. A full truckload (16 feet long by 6 feet wide by 4 feet high) costs \$100.
- Debris or waste generated by commercial operations or contractors will not be picked up by the Town.
