

Harrisburg Park Track Replacement

Town of Harrisburg, N.C. – The Town of Harrisburg Parks and Recreation Department will be closing the four-field complex at Harrisburg Park on Monday, July 12, 2021 while the track is being replaced. The four-field complex includes the soccer fields, walking track and shelter #2.

The walking track at Harrisburg Park is being replaced due to quality issues at installation. While this is being done, the Town is also taking the opportunity to expand the width of the track from 8ft to 10ft. This will provide a greater amount space to use the track more comfortably.

Please follow us on our social media accounts for additional updates on the Harrisburg Park track replacement and when this portion of the park will be reopened to the public. Facebook: Town of Harrisburg NC – Parks and Recreations Instagram: @harrisburg_nc_parksandrec

We appreciate your patience and understanding during this time.
