LEAK DETAILS

Leak Type:
- ☐ Main Line/Pipe
- ☐ Hot Water Heater
- ☐ Toilet Repair
- ☐ Faucet Repair
- ☐ Irrigation
- ☐ Other: _____

The Town of Harrisburg water leak adjustment is made using the following criteria:

- *Account must have water and sewer with the Town of Harrisburg.*
- *The leak has to not only be stopped but also repaired. Proof of repair must be provided.*
- *Adjustment is based on a 12 month sewer average of the account. If there is less than a 12 month history, the existing time period will be averaged.*
- *Only one leak adjustment will be made during a 12 month time period.*
